# NGUYEN DINH LAM

## IT PROGRAMMER

### PROFILE:

Junior Web Developer with basic understanding of MSV and testing, debugging system. Specializing in front end with HTML5, CSS, JavaScript and framework included such as VueJS with its extensions. Also, I have learned basic knowledge of PHP, MySQL and WordPress.

I want to work in a professional IT environment with open mindset. With that, my goal is to learn more, and challenge myself in new fields and focus on Project Management skills.

Till now, I am studying at Swinburne University of Technology Vietnam, and I am still looking forward to works related full-stack development.
